IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF KENTUCKY
LEXINGTON DIVISION

Ramsi A. Woodcock,

Plaintiff,

v. Case No. 5:25-cv-00424-BJB

Eli Capilouto et al.,

Defendants.

PLAINTIFF'S NOTICE THAT THE SECOND EVIDENCE REVIEW HAS CLOSED

Woodcock advises the Court of a further development bearing on his Emergency Motion for a Temporary Restraining Order (DN 65), which the Court has said it will address in a subsequent order. DN 73.

The Second Evidence Review has closed. Woodcock has submitted his final written response. Under the investigator's procedures letter, "[a]fter the Second Evidence Review, the fact-gathering stage of the investigation will conclude absent extraordinary circumstances." Thompson Ltr., Aug. 25, 2025 (DN 19-15) at 1570. Defendants have told the Court that "[t]he Investigator anticipates submitting a final report by November 2, 2026." DN 63 at 2202 n.36. That is Monday.

The report will complete the harm. "Once the Second Evidence Review closes and the report issues, the investigation the motion asks the Court to stop will be over, and no later ruling can undo it." DN 65 at 2331. The first of those events has now occurred. The second is expected within days.

Request. Woodcock therefore respectfully renews his request that the Court rule on his motion (DN 65) or, if the Court needs more time, direct Defendants not to submit or issue the investigative report or any findings until it rules. *See* DN 65 at 2315, 2337–38; DN 76.

Date: October 30, 2026

Respectfully submitted,

/s/ Rima Kapitan
